

Aristocrat Brings “Mighty” Proven Performing Games to Peru Gaming Show

LAS VEGAS (June 10, 2019) – Players and operators throughout Peru and Latin America love Aristocrat’s games and cabinets, and now Aristocrat is bringing a host of “Mighty” products to Peru Gaming Show. The show takes place June 19-20 in Lima, and Aristocrat will be in booth #50.

“We are very excited to meet with customers at Peru Gaming Show. Thanks to our customers’ support, we have a well-established reputation as Peru’s top provider of premium games. We are pleased our Mighty Cash™ and Mighty Link™ products continue to perform well for many operators in Peru and across the region,” said Sebastian Srulevich, Aristocrat’s Sales Director for the Andean Region.

Leading Aristocrat’s exhibit is Mighty Cash™ Big Money in the Helix Tower™ cabinet, which is making its Peru debut at the show. The Helix Tower creates a visual destination on the gaming floor with a soaring 55” LED screen with integrated media and synced jackpots driving dynamic visuals to capture player’s attention.

Aristocrat will also show its Helix XT™ cabinet. Helix XT builds on the success of the original Helix™, and adds an enhanced new topper, a virtual button deck designed specifically for the XT, and stunning 4K graphics displayed on a curved 42” screen.

On the Helix XT, attendees will find the Mighty Cash Double Up™ Link and the thrilling titles Money Dragon™ and Lucky Tiger™. Each title capitalizes on the player-favorite trend of Asian themed characters, design, and sound. Also appearing on the Helix XT are the titles Wild Wild Samurai™, Wild Wild Nugget™, Joe Blow™ Gold, and Joe Blow™ Diamonds.

Aristocrat will also show its popular Helix+™ upright cabinet and the Wild Up Link™ with support titles Ocean Song™ and Dragon Lanterns™.

Next, in the Helix™ upright cabinet, Aristocrat will show its Mighty Cash™ SA Link. Aristocrat will show six entertaining titles that support the link. Four titles are heavily Asian themed: Dragon Flies™, Tiger Roars™, Green Blade™, and Red Blade™. Vegas Wins™ perfectly captures the excitement of the gaming capital of the world, while Outback Bucks™, takes players on a fun journey through the Australian outback.

Aristocrat’s ARC™ Single cabinet is a favorite of players and operators, and on the cabinet at Peru Gaming Show is the Mighty Link SSP™ and the fun and diverse licensed titles Elvira™, Pan Am™, Ted™, and Zorro™.

“Operators will find a cabinet and game to speak to every type of player preference in our booth at Peru Gaming Show, and we are look forward to welcoming attendees,” Concluded Matt Isaacs, Aristocrat’s VP of Sales for Latin America and the US Eastern Region.
