

Aristocrat's ONE LINK™ Bonusing Solution Now Available in Nevada

LAS VEGAS (November 18, 2019) – Casino operators across Nevada can now offer their players increased levels of engagement and excitement with the approval of enhanced and expanded features within Aristocrat's ONE LINK™ Bonusing solution. ONE LINK Bonusing allows operators to create bonus programs that award prizes floorwide, targeted to specific market segments or qualifying patrons.

Aristocrat's ONE LINK is available to operators regardless of whether or not they own Aristocrat's Oasis 360™ system solution, allowing operators across Nevada to bring this innovative solution to their players.

Thomas Castleberry, Aristocrat's Vice President Systems Strategic Initiatives, said, "Oasis ONE LINK Bonusing features help casino partners further increase fun and excitement on the floor. It is one more way that Aristocrat is creating industry-leading solutions with the customer experience in mind."

Aristocrat successfully completed a 30-day field trial of the ONE LINK Bonusing solution at Tamarack Junction in Reno, Nev., and the first ONE LINK Progressive Bonus, Conductor's Cash™, went live late last month.

Aristocrat's ONE LINK Bonusing solution is in use in more than 40 sites in GLI jurisdictions across the country with more than 10,000 connected EGMs.
